<https://beisgroup.ukp.app.jaggaer.com/>

I.4) Type of the contracting authority

National or federal Agency/Office

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Procurement Automation Project

Reference number

PRJ_3802

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

At this RFI stage, the customer is looking for one or more Suppliers to deliver the following aim.

Our ambition is to automate the source-to-contract process for low value / low complexity procurements that are best suited to call-offs from available public sector framework agreements.

To achieve this, we want to be able to implement a guided buying process that will support a non-procurement user to move from need identification, through the scoping process, to identify the optimal route to market, and support them through running a compliant procurement process.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

At this RFI stage, the customer is looking for one or more Suppliers to deliver the following aim.

Our ambition is to automate the source-to-contract process for low value / low complexity procurements that are best suited to call-offs from available public sector framework agreements.

To achieve this, we want to be able to implement a guided buying process that will support a non-procurement user to move from need identification, through the scoping process, to identify the optimal route to market, and support them through running a compliant procurement process.

II.3) Estimated date of publication of contract notice

5 June 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

The Department of Science Innovation and Technology (DSIT) and the Department of Energy Security and Net Zero (DESNZ) invite your insights in response to a Request for Information (RFI) regarding an upcoming project for procurement automation. Currently, we are seeking one or more suppliers capable of achieving the following objective:

Our ambition is to automate the source-to-contract process for low value / low complexity procurements that are best suited to call-offs from available public sector framework agreements.

To achieve this, we want to be able to implement a guided buying process that will support a non-procurement user to move from need identification, through the scoping process, to identify the optimal route to market, and support them through running a compliant procurement process.

Step 1: Registration

Suppliers who wish to express an interest and to respond to this request must ensure they are pre-registered on the DSIT/DESNZ Procurement system portal. A link to register on the portal is provided below:

<https://beisgroup.ukp.app.jaggaer.com/>

Step 2: Submitting a Response

Once registered on the portal, the complete document and question set can be accessed and responses uploaded via the following link:

<https://beisgroup.ukp.app.jaggaer.com/go/18972466018FF1D8456F>
