Scope

Description

Lindford Parish Council is looking to appoint a contractor to replace an existing playground in Lindford, near Bordon.

Our playground is situated on green space that we own and is now in need of replacement.

Our project aims to create an inclusive playground that is environmentally friendly and serves a wide age range of children.

The contractor will be responsible for providing a quotation. This will involve removing the old equipment, carrying out any necessary groundworks, installing appropriate wet pour surfacing (or similar), and supplying and installing the new equipment. The quotation should include a visual design showing what the new playground could look like.
