II.1.4) Short description

Kent County Council is seeking to award 7 contracts for the delivery of Bikeability Training in

schools across Kent.

Bikeability is the nationally approved Cycle training scheme, which is predominantly aimed at

school children and offered in every local Council area across England. The delivery of this

training has, for many years, been subsidised by a Department for Transport (DfT) grant, which was allocated to local authorities and School sports partnerships (SGOs).

Bikeability, along with all other DfT Active Travel investment, is now part of the Active Travel

England (ATE) portfolio. ATE's long term aim is for half of all journeys to towns and cities to

be walked or cycled by 2030. ATE remit, and direction, is clearly to support local councils in

their active travel ambition and delivery, including training children and adults to cycle safely, and cycle more.
