Lancashire County Council (the Council) are leading on the procurement of an open Flexible

Agreement for the Provision of Fostering Agency Placements.

Since 2019 Blackburn with Darwen Council, Blackpool Council, Cumbria County Council and

Lancashire County Council (BBC) have been collaborating as part of a Department of Education funded project to improve the sufficiency of foster care placements across the authorities. By working together, the four Contracting Bodies have developed the Flexible Agreement which this procurement intends to establish, with the aim to influence the behaviour of these agencies in order to prioritise the Children from the four Contracting Bodies within the combined authorities' geographical footprint.

The Flexible Agreement will be a list of approved Independent Foster Care Providers. It is intended that the Flexible Agreement will remain effect for 9 years, Service Contracts can be awarded as call-off contracts as detailed within the Invitation to Participate (ITP). This procurement procedure is considered to be subject to the Light Touch Regime under the Public Contracts Regulations 2015.

Providers can apply to join the Flexible Agreement, if Applicants satisfy the required criteria.

The Flexible Agreement will be open for new Applications during the initial Application phase. Once the initial Application deadline has passed (see ITP for dates), Providers can apply to join every three years throughout the term. (See the Council's eTendering portal iSupplier and ITP for dates). Following an evaluation process, applicants will receive an outcome notification. Successful Applicants will be required to sign a Flexible Agreement
