The CNC is tendering via Open Tender for a 5 year + 5-year contract.

For the total contract life, the value is estimated at 10 million.

(3.5 million first 5 years)

CNC is seeking the Provision of a New Tactical Engagement Training Capability (TETC) with all equipment being New Condition.

The TETC must be capable of being incorporated with real-time, audio and video, for After Action Review (AAR) that enables the CNC to train with their operational weapons. This should be available to use in open areas, commercial, industrial, residential structures, and transportation vehicles in a realistic and representative way without leaving any sign of damage or use.

CNC is looking primarily for 70 Vets, 70 Halos, 70 Lasers with 4 Encrypted Ex Con Laptops together with associated software, training, and support / maintenance services

CNC require additional security conditions due to the nature of the business all of which are detailed in the Specification and ITT.
