## Section II: Object

### II.1) Scope of the procurement

#### II.1.1) Title

ESC23221 - UCEGM - Energy System Modelling

Reference number

DN614525

#### II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

Energy Systems Catapult (ESC) are leading the Unlocking Clean Energy in Greater Manchester (UCEGM) project. Workstream 2 of the project aims to iteratively develop and test new business models that can make renewable energy projects more attractive to LAs in the Greater Manchester area. The intention of this work is to improve the investment case for future renewables projects for LAs in the Greater Manchester area.

ESC are looking to seeking to subcontract with an organisation that can use energy system modelling to analyse a selection of business models designed in WS2, in terms of their financial viability for the asset investor (the Local Authority) and in terms of impacts on other relevant metrics.

#### II.1.5) Estimated total value

Value excluding VAT: £115,000

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

Royal Courts of Justice

London

Country

United Kingdom

#### **VI.4.2) Body responsible for mediation procedures**

Royal Courts of Justice

London

Country

United Kingdom

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

In the first instance, all appeals should be promptly brought to the attention of the contact specified in Section I above, and will be dealt with in accordance with the requirements of the Public Contracts Regulations 2015. Any appeals must be brought within the timescales

specified by the applicable law, including without limitation, the Public Contracts

Regulations 2015. In accordance with the Public Contracts Regulations 2015, the

contracting authority will also incorporate a minimum 10 calendar day standstill period from

the date information on award of contract is communicated to tenderers.

As the UK does not have any special review body with responsibility for appeal/mediation procedures in public procurement competitions, any challenges will be dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the Public Contracts Regulations 2015.

#### **VI.4.4) Service from which information about the review procedure may be obtained**

Royal Court of Justice

London

Country

United Kingdom
