## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Contract Extension under section 72

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

MFDs are intrinsically linked to the design and delivery of NHSS services in particular the physical facilities, buildings, sites and staffing;

at this time these areas remain uncertain and in recovery, review and planning / strategy processes meaning the MFD requirement including

volume and type of machines is uncertain.

Inflation in UK and globally remains high and unpredictable meaning future forecasts of pricing and supply chains are uncertain; the NHSS

contract would for example require a period of fixed pricing that may not be viable for the supply chain and market to be able to support

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1

Total contract value after the modifications

Value excluding VAT: £2
