## Procedure

### Procedure type

Direct award

### Direct award justification

- Single supplier - technical reasons
- Additional or repeat goods, services or works - extension or partial replacement
- Additional or repeat goods, services or works - further goods, services or works following a competitive procedure

Transferring the existing warranties and guarantees would result in significant financial costs and delays for UKRI, due to supplier markups and risk premiums; as the primary subcontractor to Russells, Sudlows has the knowledge, resources, and capability to manage and maintain the building without impacting any warranties.
