II.1.4) Short description

North of England Commissioning Support (NECS) is working for and on behalf of NHS England and NHS Improvement East of England (The Contract Authority) a to commission Alternative Provider Medical Services(APMS) to be delivered from Waterbeachand Cottenham, and Roysia. This procurement will be in Lots, one lot will cover Waterbeach and Cottenham with a weighted patient list size of 9631.69, the second lot will cover Roysia with a weighted patient list size of 5661.45

Waterbeach is a system strategic growth site. The Development of the previous Waterbeach Barracks site will be considered a new town with planning for 11,000 new dwellings. The build out rate is outlined below:

Year 2021/22 2022/23 2023/24 2024/25 2025/26 2026/27 2027/28

Annual dwelling build rate 150 250 250 250 250 250 250

Cumulative Occupations 150 400 650 900 1150 1400 1650

Cottenham also has small pockets of development planned to include 176 dwellings on Land at or adjoining Oakington Road, 254 dwellings and 70 apartments with care land on or adjoining Rampton Road.

There has been significant growth in Royston town over the past five years, with new developments continuing to be built on the edges of the town, including 279 houses on Baldock road, 340 houses at Meridian gate and outline planning permission submitted for 300-400 homes on Barkway Road.

The term for both contracts will be 7 years with the option to extend for a further 3 years, subject to satisfactory financial and contractual performance, with effect from 01 January 2023.

The basic principles that mirror those of the Open Procurement route will be followed for this procurement to test the capability, capacity, and technical competence of bidders in accordance with The Public Contracts Regulations 2015 (as amended).

Under the Public Services (Social Value) Act 2012 Contracting Authorities must consider:

- (a) How, what is proposed to be procured might improve the economic, social, and environmental well-being of the area where it exercises its functions; and
- (b) How, in conducting the process of procurement, it might act with a view to securing that improvement.

Accordingly, the subject matter of the contract has been scoped to take into account the priorities of the Contracting Authority relating to economic, social, and environmental well-being.

The Transfer of Undertakings (Protection of Employment) Regulations 2006 (as amended) may apply. Bidders are advised to obtain their own legal advice and carry out due diligence including the New Fair Deal non-statutory policy setting out how pensions issues are to be dealt with when staff are compulsorily transferred from the public sector to independent providers delivering public services.

NECS is utilising an electronic tendering tool to manage this procurement and communicate with potential bidders. Accordingly, there will be no hard copy documents issued to potential bidders and all communications with NECS, including your submission, will be conducted via the In-tend portal <https://in-tendhost.co.uk/nhsnecsu>

It is free to register on the portal and it can be accessed at any time of day providing you have a working internet connection. Should bidders have any queries, or are having problems registering on the portal; they should contact the In-tend helpdesk via:

support@in-tend.com or call us on 0845 557 8079 / +44 (0) 114 407 0065

The helpdesk is open Monday – Friday between 9am – 5.30pm

Tender documentation will be available on the e-tendering site from 27 June 2022.

The closing date for submission of tenders is 12:00 noon on 27 July 2022.

N.B. Due to forthcoming changes to legislation which mean some current responsibilities of NHSE&I will be delegated into Integrated Care Systems with effect from 01 July 2022, the ultimate commissioner for this contract may change.
