Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NHS Health Checks Catch-Up Programme - Service Specification Feedback

Reference number

AS21235

II.1.2) Main CPV code

- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

Thank you for your engagement to develop the service specification for the Hampshire and Isle of Wight NHS Health Checks Catch-up programme.

We have now completed the draft specification and would welcome your feedback on all aspects. These will be delivered alongside the current GP led model and will be available to increase capacity where primary care are unable to deliver or are not able to meet the demand. We intend this service will go live in the Autumn. To get as broad an input as possible we are also asking a wide variety of stakeholders from across the system and potential providers to comment on this specification.

When you have reviewed the service specification, please return all comments to HCC.hampshirehealthchecks@nhs.net latest 5pm on 5th July 2023. Once we have received all comments, we will use these to finalise the draft specification, which will then be ready for publication as part of the tender process described in the original PIN - NHS Health Checks Catch-Up Programme Market Engagement Event with publication reference: 2023/S 000-011512.

We remain deeply grateful for your engagement and support to deliver a quality service for Hampshire and Isle of Wight residents.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

Hampshire

Lot No

1

II.2.2) Additional CPV code(s)

- 85000000 - Health and social work services

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

II.2.4) Description of the procurement

Hampshire Country Council Public Health and the Isle of Wight (IOW) Public Health team are seeking to procure an exciting new service to deliver the NHS Health Check catch-up programme.

This catch-up service is required due to the backlog of residents not invited for an NHS Health Check during the Covid-19 Pandemic.

NHS Health Checks are currently provided in Hampshire and the IOW through general practice, however not all practices are able to restart the programme and/or deliver catch-up of those outstanding over the pandemic period. The provider of this service will therefore work closely with general practices who have opted-in to support NHS Health Check delivery in this way.

We anticipate this service could be provided by a variety of organisations including GP federations, other healthcare organisations, leisure providers or others.

II.2) Description

II.2.1) Title

Isle Of Wight

Lot No

2

II.2.2) Additional CPV code(s)
