This modification is permitted under the Health Care Services (Provider Selection

- A. A one-off payment during 2024/25 of £87,513 to cover the recurrent impact of the 2022/23 and 2023/24 NHS pay awards on the Service during April to September 2024. The impact of these previous pay awards was built into the budget for the new contract, however, as this contract commenced mid-year on 1 October 2024, an additional payment is needed to cover April to September 2024.
- B. A recurrent uplift of £145,247 to the annual contract value due to the 2024/25 NHS pay award and net tariff inflator increase.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:
