APHA is an Executive Agency of Defra and delivers the Animal Health and Welfare policies of the Defra, Scottish Government and Welsh Government across Great Britain (GB). One of its principal functions is the safeguarding of animal health and welfare and public health, which in turn supports economic growth and trade.

APHA has a critical role in the control and eradication of endemic and exotic notifiable and reportable diseases including responding to Outbreaks and Incidents, for example Notifiable Avian Disease. APHA and other GB government (central, devolved and local authorities) may have a need to employ a range of contractors to deliver certain types of work on its behalf.

Interested parties should email mandy.worsnop@defra.gov.uk by 19 Jun 2024 if you would like the slide pack relating to this requirement sent to you. (This will be issued on / before 21 June 2024.)
