Tender

Maintenance and Install Services for Standby Power Supplies

University Hospitals Birmingham NHS Foundation Trust
Birmingham Women's and Children's NHS Foundation Trust

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-017888

Procurement identifier (OCID): ocds-h6vhtk-065e41

Published 27 February 2026, 12:54pm

Scope

Description

This requirement is for planned preventative maintenance, testing, inspection, and breakdown response for standby diesel generators across participating Trust sites. The contract may also be used, on an optional call-off basis, to instruct like-for-like generator replacement or installation works where required.

The contract may be accessed by other NHS Trusts within the Birmingham, Black Country and Solihull ICB Cluster as permitted in the tender documents.

Total value (estimated)

- £4,250,000 excluding VAT
- £5,100,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 May 2026 to 30 April 2029
- Possible extension to 30 April 2031
- 5 years

Description of possible extension:

The initial contract term shall be three years with the potential for two separate one-year extension periods by election of the Contracting Authority, on such notice and for such periods as is specified by the Contract.

Options

The right to additional purchases while the contract is valid.

The Contracting Authority may, during the term, instruct optional like-for-like generator replacement or installation works on a call-off basis where required. No minimum volume of such works is guaranteed, and all optional works are subject to separate written instruction and available funding.
