## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

YPO - 001126 - Cloud Services, Data Centre Management and Transformation Solutions

Reference number

001126

#### **II.1.2) Main CPV code**

- 72000000 - IT services: consulting, software development, Internet and support

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

YPO is the lead Public Sector Buying Organisation for this Framework Agreement working in collaboration with NEPO. YPO are looking for Providers to be appointed onto a Framework Agreement for the provision of Cloud Services, Data Centre Management and Transformation Solutions. YPO's intention is to create a compliant route to market for our customers and also the awarded Suppliers. It is to enable the public sector a route to cloud and datacentre solutions from one Framework with an array of Suppliers and offerings.

#### **II.1.5) Estimated total value**

Value excluding VAT: £120,000,000

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

### **II.2) Description**

#### **II.2.1) Title**

Lot 1 - Cloud Hosting Services

Lot No

1

### **II.2.2) Additional CPV code(s)**

- 30211200 - Mainframe hardware
- 30212000 - Minicomputer hardware
- 30215000 - Microcomputer hardware
- 44316400 - Hardware
- 48211000 - Platform interconnectivity software package
- 48216000 - Network connectivity terminal emulation software package
- 48221000 - Internet browsing software package
- 48610000 - Database systems
- 48732000 - Data security software package
- 50312300 - Maintenance and repair of data network equipment
- 50312310 - Maintenance of data network equipment
- 50312320 - Repair of data network equipment
- 72000000 - IT services: consulting, software development, Internet and support
- 72212600 - Database and operating software development services
- 72212732 - Data security software development services
- 72300000 - Data services

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

### **II.2.4) Description of the procurement**

Lot 1 is for the provision of standard cloud compute requirements and ready to deploy solutions, provided 'as a service model', via a Cloud Infrastructure Service Provider (CISP) or certified reseller.

The purpose of this Lot is to put in place a route for Contracting Authorities to buy their Infrastructure as a Service (IaaS) and Platform as a Service (PaaS) requirements, for hosting their applications in the cloud. The Contracting Authority will use the Providers cloud platform to store and process their data requirements on demand, without the need for capital hardware or additional cloud support services.

#### **II.2.5) Award criteria**

Quality criterion - Name: Non-Cost (Quality) / Weighting: 55%

Quality criterion - Name: Social Value/Sustainability / Weighting: 15%

Cost criterion - Name: Cost / Weighting: 30%

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Start date

16 October 2023

End date

15 October 2027

This contract is subject to renewal

Yes

Description of renewals

There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: Yes

Description of options

The Framework Agreement will cover the period from 16th October 2023 – 15th October 2025 with the option of 1 x 24 months extension to 15th October 2027, after the initial two

years. The decision to extend the Framework period will be taken by the end of June 2025 and will be dependent on satisfactory completion of all aspects of the Framework to date, the current market conditions for this category and YPO's contracting structures. Suppliers will be made aware of the decision to take extensions 3 months prior. The maximum contract period will therefore be 4 years, from 16th October 2023 – 15th October 2027.

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Lot 2 - Cloud Support Services

Lot No

2

### **II.2.2) Additional CPV code(s)**

- 30210000 - Data-processing machines (hardware)
- 30211200 - Mainframe hardware
- 30212000 - Minicomputer hardware
- 30215000 - Microcomputer hardware
- 44316400 - Hardware
- 48216000 - Network connectivity terminal emulation software package
- 48221000 - Internet browsing software package
- 48610000 - Database systems
- 48612000 - Database-management system
- 48613000 - Electronic data management (EDM)
- 48732000 - Data security software package
- 72000000 - IT services: consulting, software development, Internet and support

- 72150000 - Computer audit consultancy and hardware consultancy services
- 72212211 - Platform interconnectivity software development services
- 72212216 - Network connectivity terminal emulation software development services
- 72212451 - Enterprise resource planning software development services
- 72212600 - Database and operating software development services
- 72212610 - Database software development services
- 72228000 - Hardware integration consultancy services
- 72251000 - Disaster recovery services
- 72300000 - Data services
- 72311100 - Data conversion services
- 72312100 - Data preparation services
- 72315000 - Data network management and support services
- 72315100 - Data network support services
- 72315200 - Data network management services
- 72320000 - Database services
- 72322000 - Data management services
- 72400000 - Internet services
- 72800000 - Computer audit and testing services

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

### **II.2.4) Description of the procurement**

Lot 2 is for the provision of Cloud Support Services which assist customers with supportive cloud services to build, manage, develop, maintain and/or modernise their cloud environment and deliver desired outcomes.

This Lot covers all the cloud utilities available within Lot 1 – Cloud Hosting, but with additional service wrap support such as deployment and management of a cloud

environment to allow Contracting Authorities to procure within a single Lot.

#### **II.2.5) Award criteria**

Quality criterion - Name: Non-Cost (Quality) / Weighting: 55%

Quality criterion - Name: Social Value/Sustainability / Weighting: 15%

Cost criterion - Name: Cost / Weighting: 30%

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Start date

16 October 2023

End date

15 October 2027

This contract is subject to renewal

Yes

Description of renewals

There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: Yes

Description of options

The Framework Agreement will cover the period from 16th October 2023 – 15th October 2025 with the option of 1 x 24 months extension to 15th October 2027, after the initial two years. The decision to extend the Framework period will be taken by the end of June 2025 and will be dependent on satisfactory completion of all aspects of the Framework to date, the current market conditions for this category and YPO's contracting structures. Suppliers will be made aware of the decision to take extensions 3 months prior. The

maximum contract period will therefore be 4 years, from 16th October 2023 – 15th October 2027.

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2) Description**

### **II.2.1) Title**

Lot 3 - Cloud and Hybrid Transformation Solutions

Lot No

3

### **II.2.2) Additional CPV code(s)**

- 30211200 - Mainframe hardware
- 30212000 - Minicomputer hardware
- 30215000 - Microcomputer hardware
- 32260000 - Data-transmission equipment
- 32580000 - Data equipment
- 44316400 - Hardware
- 48216000 - Network connectivity terminal emulation software package
- 48221000 - Internet browsing software package
- 48612000 - Database-management system
- 48613000 - Electronic data management (EDM)
- 48732000 - Data security software package
- 51611100 - Hardware installation services
- 72000000 - IT services: consulting, software development, Internet and support
- 72212600 - Database and operating software development services

- 72212732 - Data security software development services
- 72300000 - Data services
- 79415200 - Design consultancy services
- 79933000 - Design support services

### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

### **II.2.4) Description of the procurement**

Lot 3 is for the provision of an end-to-end cloud and hybrid transformation solutions, which are designed to assist and support a Contracting Authority with their cloud and data strategy, from initial point of discovery and analysis, through to end service delivery and management.

The purpose of this Lot is for the Contracting Authority to align with a strategic service Provider who will collaborate with the Contracting Authority throughout their transformation project, no matter the size of the requirement, or length of the journey, to successfully migrate their services to the right workload for their environment.

### **II.2.5) Award criteria**

Quality criterion - Name: Non-Cost (Quality) / Weighting: 55%

Quality criterion - Name: Social Value/Sustainability / Weighting: 15%

Cost criterion - Name: Cost / Weighting: 30%

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Start date

16 October 2023

End date

15 October 2027

This contract is subject to renewal

Yes

#### Description of renewals

There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: Yes

#### Description of options

The Framework Agreement will cover the period from 16th October 2023 – 15th October 2025 with the option of 1 x 24 months extension to 15th October 2027, after the initial two years. The decision to extend the Framework period will be taken by the end of June 2025 and will be dependent on satisfactory completion of all aspects of the Framework to date, the current market conditions for this category and YPO's contracting structures. Suppliers will be made aware of the decision to take extensions 3 months prior. The maximum contract period will therefore be 4 years, from 16th October 2023 – 15th October 2027.

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

### **VI.3) Additional information**

YPO are purchasing on behalf of other contracting authorities. Please see the below link for details: <https://www.ypo.co.uk/about/customers/missible-users>

YPO will incorporate a standstill period at the point of notification of the award of the contract is provided to all bidders. The standstill period will be for a minimum of 10 calendar days and provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contract Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

High Court of England and Wales

London

Country
