General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

YPO - 001126 - Cloud Services, Data Centre Management and Transformation Solutions

Reference number

001126

II.1.2) Main CPV code

• 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

YPO is the lead Public Sector Buying Organisation for this Framework Agreement working in collaboration with NEPO. YPO are looking for Providers to be appointed onto a Framework Agreement for the provision of Cloud Services, Data Centre Management and Transformation Solutions. YPO's intention is to create a compliant route to market for our customers and also the awarded Suppliers. It is to enable the public sector a route to cloud and datacentre solutions from one Framework with an array of Suppliers and offerings.

II.1.5) Estimated total value

Value excluding VAT: £120,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot 1 - Cloud Hosting Services

Lot No

1

II.2.2) Additional CPV code(s)

- 30211200 Mainframe hardware
- 30212000 Minicomputer hardware
- 30215000 Microcomputer hardware
- 44316400 Hardware
- 48211000 Platform interconnectivity software package
- 48216000 Network connectivity terminal emulation software package
- 48221000 Internet browsing software package
- 48610000 Database systems
- 48732000 Data security software package
- 50312300 Maintenance and repair of data network equipment
- 50312310 Maintenance of data network equipment
- 50312320 Repair of data network equipment
- 72000000 IT services: consulting, software development, Internet and support
- 72212600 Database and operating software development services
- 72212732 Data security software development services
- 72300000 Data services

II.2.3) Place of performance

NUTS codes

UK - United Kingdom

II.2.4) Description of the procurement

Lot 1 is for the provision of standard cloud compute requirements and ready to deploy solutions, provided 'as a service model', via a Cloud Infrastructure Service Provider (CISP) or certified reseller.

The purpose of this Lot is to put in place a route for Contracting Authorities to buy their Infrastructure as a Service (laaS) and Platform as a Service (PaaS) requirements, for hosting their applications in the cloud. The Contracting Authority will use the Providers cloud platform to store and process their data requirements on demand, without the need for capital hardware or additional cloud support services.

II.2.5) Award criteria

Quality criterion - Name: Non-Cost (Quality) / Weighting: 55%

Quality criterion - Name: Social Value/Sustainability / Weighting: 15%

Cost criterion - Name: Cost / Weighting: 30%

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

16 October 2023

End date

15 October 2027

This contract is subject to renewal

Yes

Description of renewals

There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The Framework Agreement will cover the period from 16th October 2023 – 15th October 2025 with the option of 1 x 24 months extension to 15th October 2027, after the initial two years. The decision to extend the Framework period will be taken by the end of June 2025 and will be dependent on satisfactory completion of all aspects of the Framework to date, the current market conditions for this category and YPO's contracting structures. Suppliers will be made aware of the decision to take extensions 3 months prior. The maximum contract period will therefore be 4 years, from 16th October 2023 – 15th October 2027.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Lot 2 - Cloud Support Services

- 72322000 Data management services
- 72400000 Internet services
- 72800000 Computer audit and testing services

NUTS codes

• UK - United Kingdom

II.2.4) Description of the procurement

Lot 2 is for the provision of Cloud Support Services which assist customers with supportive cloud services to build, manage, develop, maintain and/or modernise their cloud environment and deliver desired outcomes.

This Lot covers all the cloud utilities available within Lot 1 – Cloud Hosting, but with additional service wrap support such as deployment and management of a cloud

environment to allow Contracting Authorities to procure within a single Lot.

II.2.5) Award criteria

Quality criterion - Name: Non-Cost (Quality) / Weighting: 55%

Quality criterion - Name: Social Value/Sustainability / Weighting: 15%

Cost criterion - Name: Cost / Weighting: 30%

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

16 October 2023

End date

15 October 2027

This contract is subject to renewal

Yes

Description of renewals

There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The Framework Agreement will cover the period from 16th October 2023 – 15th October 2025 with the option of 1 x 24 months extension to 15th October 2027, after the initial two years. The decision to extend the Framework period will be taken by the end of June 2025 and will be dependent on satisfactory completion of all aspects of the Framework to date, the current market conditions for this category and YPO's contracting structures. Suppliers will be made aware of the decision to take extensions 3 months prior. The

maximum contract period will therefore be 4 years, from 16th October 2023 – 15th October 2027.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Organisations must ensure that they are not in breach of any of the mandatory or discretionary exclusions contained in Regulation 57 of the Public Contracts Regulations 2015. Please refer to the Tender Documentation/Online Tender located on our E-Procurement system. The web address can be found under 'Procurement Documents' in the 'Communication' section of this notice.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Please refer to the Framework Agreement Terms and Conditions located in our E-Procurement system. The web address can be found under 'Procurement Documents' in the 'Communication' Section in this notice.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

In the case of framework agreements, provide justification for any duration exceeding 4 years:

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: <u>2022/S 000-010840</u>

IV.2.2) Time limit for receipt of tenders or requests to participate

Originally published as:

Date

4 August 2023

Local time

2:00pm

Changed to:

Date

18 August 2023

Local time

2:00pm

See the change notice.

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 4 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

4 August 2023

Local time

2:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: There is a possibility that this Framework will be subject to renewal after 3.5 years from the commencement date

VI.3) Additional information

YPO are purchasing on behalf of other contracting authorities. Please see the below link for details: https://www.ypo.co.uk/about/customers/permissible-users

YPO will incorporate a standstill period at the point of notification of the award of the contract is provided to all bidders. The standstill period will be for a minimum of 10 calendar days and provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contract Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.4) Procedures for review

VI.4.1) Review body

High Court of England and Wales

London

Country

United Kingdom
