II.1.4) Short description

North Ayrshire Council invites tenders for the design and build of two solar PV farms – one at Nethermains, Kilwinning and the other at Shewalton, Irvine as detailed in the Invitation to Tender.

The tender will be split into 3 lots, as detailed below, and North Ayrshire Council intend to award either Lots 1 and 2 or Lot 3. The award will be based on what is affordable and best value for North Ayrshire Council.

Lot 1 Nethermains, Kilwinning

Lot 2 Shewalton, Irvine

Lot 3 Nethermains, Kilwinning & Shewalton, Irvine

Tenderers who wish to bid for both Lot 1 and Lot 2 and encouraged to also submit a bid under Lot 3.

The contract period will be 64 months (up to 6 months for design, up to 10 months for build, 12 months operation and 48 months maintenance). Design and build must be completed by April 2024 for both sites in order to meet grid connection.

The anticipated start date is 4th January 2023 until 28th April 2028 with the option to extend operation by up to 6 months until 31st October 2028, and maintenance by up to 16

years until 29th April 2044. Operation and maintenance will run together in year one and potentially year two if the operation extension is utilised, thereafter maintenance will run as a standalone element. Extensions will be at the sole discretion of NAC and subject to satisfactory performance and funding.

The contract(s) will be let under the NEC4 Design, Build and Operate Contract.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

If required, bidders are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

Bidders must confirm if they hold the particular authorisation or memberships.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders will be required to have the minimum general turnover detailed below for the last 3 years in the business area covered by the contract.

12,816,000 GBP for Lot 1 Nethermains, Kilwinning

8,980.000 GBP for Lot 2 Shewalton, Irvine

16,332,000 GBP for Lot 3 Nethermains, Kilwinning & Shewalton, Irvine

North Ayrshire Council reserve the right to review the bidders financial information including information from credit reference agencies at tender stage and throughout the life of the contract, and seek clarifications if necessary. If clarifications are not satisfactory the bidder may be excluded from the tender process.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is also a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's Liability Insurance = 5,000,000 GBP in respect of any one event for Lot 1, 2 & 3.

Public Liability Insurance 10,000,000 GBP in respect of any one event for Lot 1 and 2 and 20,000,000 GBP for Lot 3.

Product Liability Insurance 10,000,000 GBP in the aggregate for Lot 1 and 2 and 20,000,000 GBP for Lot 3.

Professional Indemnity Insurance 10,000,000 GBP in respect of any one event for Lot 1 and 2 and 20,000,000 GBP for Lot 3.

Third-Party Motor Vehicle Insurance.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide 2 examples of works carried out in the past 5 years that demonstrates they have the relevant experience to deliver the works described in the Contract Notice. Example one must include the design and build of a similar solar PV farm, whilst example two can either be another design and build of a similar solar PV farm or can be a large-scale energy renewable project. Unsatisfactory experience will result in a fail and exclusion from the tender process.

Bidders must also provide 2 satisfactory references for the same 2 contracts on the reference templates provided. References should be completed and signed by previous customers. If any of the referees score the bidder less than 2 the bidder will be excluded

from the tender process.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders who intend to use a supply chain to deliver the requirements detailed in the Contract Notice, must confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

a) their standard payment terms.

b) 95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

Bidders unable to confirm (b) must provide an improvement plan, signed by their Director, which improves payment performance.

Bidders are also required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders who intend to subcontract more than 25% to any individual organisation must ensure the SPD (Scotland) - Subcontractors Supplier Response is completed and uploaded at question 2C.1 of the qualification envelope.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Community benefit delivery and prompt payments within the supply chain will be monitored over the duration of the contract. In addition, bidders attention is drawn to the Contract Performance Measures for Nethermains and the Contract Performance Measures for Shewalton - both of which have been uploaded to PCS-Tender.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 45026. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

North Ayrshire Council anticipates that contractors will have their own pre-qualified

supplier to call upon/utilise.

Community benefits are included in this requirement. For more information see: <https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Community benefits will be required on a mandatory basis for:

1. Fair Work: promotion of job opportunities within North Ayrshire; employability targets for specific priority groups.
2. Upskilling (including curriculum development): work experience placements; taster sessions; training opportunities; work within education establishments.
3. Entrepreneurial, Inclusive and Sustainable Economy: monitoring spend within North Ayrshire; with micro, small and medium enterprises; and the Third Sector.
4. Wish List: delivery of community and Third Sector requests for support from the NAC Community Benefit Wish List.
