#### Tender

## **Generation 2 Wave 3 T Levels**

Institute for Apprenticeships and Technical Education

UK4: Tender notice - Procurement Act 2023 - <u>view information about notice types</u> Notice identifier: 2025/S 000-017940 Procurement identifier (OCID): ocds-h6vhtk-04eee2 (<u>view related notices</u>) Published 30 April 2025, 12:11pm

This is an old version of this notice. <u>View the latest version</u>.

## Scope

#### Description

T Levels are an academic option for students aged 16-19, following the recommendation by the Independent Panel on Technical Education - the Sainsbury report. The Sainsbury report also recommended that a single body or consortium should deliver each qualification under an "exclusive license" that would be awarded for a fixed time period following open competition.

The procurement will be to select and appoint Awarding Organisations (AO) to be responsible for developing and delivering the Generation 2 Wave 3 T Level Qualification, under an exclusive licensing approach.

The expected scope of the role of the AOs is they would be responsible for; -designing the content of the qualification; -upskilling providers (further education schools and colleges); -providing of learning and teaching materials; -updating content; and -delivering qualification assessment services.

This notice is in respect of Generation 2 Wave 3 T Levels and will cover the following T Levels:

-Maintenance, Installation and Repair for Engineering and Manufacturing

-Engineering, Manufacturing, Process and Control

-Design and Development for Engineering and Manufacturing

-Management and Administration

-Finance

-Accounting

TO NOTE: Potential Suppliers who wish to submit a Tender for one of the three Engineering & Manufacturing TQs (Maintenance, Installation and Repair for Engineering and Manufacturing; Engineering, Manufacturing, Process and Control; and Design and Development for Engineering and Manufacturing) are required to also submit a Tender for the other two Engineering & Manufacturing TQs. All three Engineering & Manufacturing TQs will be awarded to a single supplier.

All contracts will be public service concession contracts, governed by the Procurement Act 2023, as defined at Section 8 of the Act, to the extent that the same apply to services which such contract (or contracts) would relate.

Further information about the procurement is provided on ProContract <u>https://procontract.due-north.com/Login</u>.

#### **Total value (estimated)**

- £23,392,000 excluding VAT
- £29,240,000 including VAT

Above the relevant threshold

#### **Contract dates (estimated)**

- 31 January 2026 to 31 July 2034
- Possible extension to 31 July 2037

• 11 years, 6 months, 1 day

Description of possible extension:

Contract extension is a 1+1+1

#### Main procurement category

Services

#### **CPV classifications**

• 80000000 - Education and training services

#### **Contract locations**

- UKC North East (England)
- UKD North West (England)
- UKE Yorkshire and the Humber
- UKF East Midlands (England)
- UKG West Midlands (England)
- UKH East of England
- UKI London
- UKJ South East (England)
- UKK South West (England)

#### Lot constraints

Description of how multiple lots may be awarded:

The Authority intends to award all three Engineering & Manufacturing T Levels (Lot 1, Lot 2 and Lot 3) to a single supplier, for operational and pedagogical purposes.

Potential Suppliers who wish to submit a Tender for one of the three Engineering & Manufacturing TQs (Maintenance, Installation and Repair for Engineering and Manufacturing; Engineering, Manufacturing, Process and Control; and Design and Development for Engineering and Manufacturing) are required to also submit a Tender for the other two Engineering & Manufacturing TQs.

Once the Consolidated Scores for the three Engineering & Manufacturing T Levels have been calculated for each bidder, an average Technical and Price Score will be calculated (being the sum of the bidder's three scores divided by three) for each bidder.

## Lot 1. Maintenance, Installation and Repair for Engineering and Manufacturing

#### Description

Lot 1 - Maintenance, Installation and Repair for Engineering and Manufacturing.

TO NOTE: Potential Suppliers who wish to submit a Tender for this lot are required to also submit a Tender for the other two Engineering & Manufacturing TQs (Lot 2: Engineering, Manufacturing, Process and Control and Lot 3: Design and Development for Engineering and Manufacturing).

All three Engineering & Manufacturing TQs will be awarded to a single supplier.

Lot value (estimated)

- £2,931,200 excluding VAT
- £3,664,000 including VAT

#### Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

## Lot 2. Engineering, Manufacturing, Process and Control

#### Description

Lot 2 - Engineering, Manufacturing, Process and Control

TO NOTE: Potential Suppliers who wish to submit a Tender for this lot are required to also submit a Tender for the other two Engineering & Manufacturing TQs (Lot 1: Maintenance, Installation and Repair for Engineering and Manufacturing and Lot 3: Design and Development for Engineering and Manufacturing). All three Engineering & Manufacturing TQs will be awarded to a single supplier.

#### Lot value (estimated)

- £3,881,600 excluding VAT
- £4,852,000 including VAT

#### Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

# Lot 3. Design and Development for Engineering and Manufacturing

#### Description

Lot 3 - Design and Development for Engineering and Manufacturing

TO NOTE: Potential Suppliers who wish to submit a Tender for this lot are required to also submit a Tender for the other two Engineering & Manufacturing TQs (Lot 1: Maintenance, Installation and Repair for Engineering and Manufacturing and Lot 2: Engineering, Manufacturing, Process and Control).

All three Engineering & Manufacturing TQs will be awarded to a single supplier.

#### Lot value (estimated)

- £5,500,800 excluding VAT
- £6,876,000 including VAT

#### Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

## Lot 4. Management and Administration

#### Description

Lot 4 - Management and Administration

#### Lot value (estimated)

- £7,891,200 excluding VAT
- £9,864,000 including VAT

#### Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

## Lot 5. Finance

#### Description

Lot 5 - Finance

#### Lot value (estimated)

- £1,025,600 excluding VAT
- £1,282,000 including VAT

#### Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

## Lot 6. Accounting

#### Description

Lot 6 - Accounting

#### Lot value (estimated)

- £2,161,600 excluding VAT
- £2,702,000 including VAT

#### Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

## **Participation**

#### **Particular suitability**

- Lot 1. Maintenance, Installation and Repair for Engineering and Manufacturing
- Lot 2. Engineering, Manufacturing, Process and Control
- Lot 3. Design and Development for Engineering and Manufacturing
- Lot 4. Management and Administration
- Lot 5. Finance

#### Lot 6. Accounting

- Small and medium-sized enterprises (SME)
- Voluntary, community and social enterprises (VCSE)

## Submission

#### Submission type

Tenders

#### Tender submission deadline

11 August 2025, 11:59pm

#### Submission address and any special instructions

Awarding Organisations will need to register on Find a Tender Service (FTS) to submit basic information on the Central Digital Platform (CDP) <u>https://www.find-tender.service.gov.uk</u>

Information entered on the CDP is applicable to all Government procurements but is only a small subset of the PSQ information required for this procurement.

In order to submit your bid for Generation 2 Wave 3 T Levels, Awarding Organisations MUST register on ProContract <u>https://procontract.due-north.com/</u>. You will need to complete the remainder of the PSQ specific to the Generation 2 Wave 3 T Levels procurement. This is where all the invitation to tender (ITT) documents will be held.

#### Tenders may be submitted electronically

Yes

#### Languages that may be used for submission

English

### Award decision date (estimated)

26 January 2026

## Award criteria

Name	Description	Туре
Financial	Full details of the Financial Evaluation criteria and scoring are included in the Invitation to Tender document.	•
Technical	Full details of the Technical Evaluation criteria and scoring are included in the Invitation to Tender document.	

#### Weighting description

The Tender evaluation will calculate the Most Advantageous Tender (MAT) to The Authority. Full details are included in the Invitation to Tender document.

## Other information

Conflicts assessment prepared/revised

Yes

Procedure

#### **Procedure type**

Competitive flexible procedure

#### **Special regime**

- Concession
- Light touch

#### Competitive flexible procedure description

Multi stage (two) Competitive Flexible procedure outlined in the ITT document.

#### **Reduced tendering period**

Yes

Light touch contract - no minimum

## **Contracting authority**

#### Institute for Apprenticeships and Technical Education
