II.2.4) Description of the procurement

Direct award under the Crown Commercial Services Gcloud framework. Key requirement term searches were conducted on the framework as per the framework guidance and the awarded supplier was the only supplier able to meet our requirements.

The contract offered best value as the existing system is already in place with this supplier, so key E-recruitment systems did not need to be built and implemented, instead the check module was the only additional service added by the supplier.

Initial contract term 36 months with an additional 12 month extension option.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Additional deliveries by the original supplier

Explanation:

The contracted supplier is the incumbent which meant that there were no additional costs incurred for the new contract as the existing E-Recruitment system could be used with the requirement for the check referencing module to be delivered at no additional cost.

A direct award was placed via the CCS GCloud 13 framework following searches on the framework based on key terms relating to our requirements. The awarded supplier was the only provider to demonstrate these terms.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.9) Information about termination of call for competition in the form of a prior information notice

The contracting authority will not award any further contracts based on the above prior information notice
