II.1.4) Short description

The Force is looking to engage with suitable organisations who can provide fully qualified, trained & competent healthcare professionals to support the complex custody healthcare needs for detainees and suspects in Hampshire and the Isle of Wight. The purpose of this market engagement is to consult with the market on the draft specification and service requirements prior to final sign-off and publication of the tender documents.

Interested organisations should be aware that this healthcare service will be delivered, in the main, within the secure estate of a police custody suite/unit. Medical healthcare is ancillary but critical to the role the police have of investigating crime. Police forces are strictly governed by legislation in particular the Police and Criminal Evidence Act 1984 and its Codes of Practice.

Contract duration is expected to be 5 years initially with the option to extend for two periods of 12 months each.

Interested parties should register their business in our portal In-tend via this website <https://in-tendhost.co.uk/hampshire>. Once registered you will be able to access the draft specification and engagement documents, which consist of the draft specification and a short online questionnaire.

Please be aware that the online pre-market questionnaire will close at midday on 21st July 2023.

II.1.5) Estimated total value

Value excluding VAT: £11,500,000

- 85141200 - Services provided by nurses

II.2.3) Place of performance

NUTS codes

- UKJ3 - Hampshire and Isle of Wight

Main site or place of performance

There are currently six police stations throughout Hampshire and the Isle of Wight that are designated under the Police and Criminal Evidence Act 1984 to be used for the purpose of detaining arrested persons. Four of these are used on a daily basis and the remaining two are held in reserve and are only occasionally used.

The service provider may also be required to attend other locations in relation to the provision of the service, including but not limited to, other Force owned sites in Hampshire and Isle of Wight, NHS sites and hospital attendances including Frimley Park Hospital on occasion.

Full details provided within the draft specification.
