### **VII.1) Information to be changed or added**

### **VII.2) Other additional information**

Corrigendum - Section III.1.3. Technical and Professional Ability Statements (a) and (b).

Please see the following amendments to Section III.1.3. Technical and Professional Ability Statements (a) and (b).

Statement (a) - Within the last 3 years have you carried out a research or consultancy task providing economic or financial advice for a maritime transport related project with a cost of at least 50,000 GBP. If YES, please provide a description including name, address and contact details of client and client project director responsible, identify the contractor / parties involved and the exact role of the single Economic Operator/ Group Member/ other entity (including the scope of the works and services carried out, Dates and value of contract (including both tendered and outturn price where relevant).

Statement (b) - Provide information on up to 5 “reference projects” reflecting similar services in terms of scope, size and/ or complexity to the services required under the Framework Agreement, carried out within the last 3 years, detail your role and the scope of the services performed. This must include demonstrable experience of having undertaken a Strategic Environmental Assessment in line with Scottish legislation (or an equivalent under the requirements of Directive 2001/42/EC) and a transport appraisal in line with Scottish Transport Appraisal Guidance (or an equivalent appraisal for a transport project in line with HM Treasury “Green Book” requirements). Include name of project, provide a project description and include, name, address and contact details of client and client project director responsible and identify the contractor/ parties involved and the exact role of the Single Economic Operator/ Group Member/ other entity (including the scope of the works and services carried out, Dates (actual completion) and Value of Contract (including both tendered and outturn price where relevant).
