## Other information

### Description of risks to contract performance

NSG are the manufacturers of the equipment, carry the passwords for the programmable logic controller and have the specialist equipment to carry out the service and are the only supplier who can carry out these actions. To meet our quality assurance levels with the Environment Agency we must prove that our equipment is maintained and calibrated to comply with our permit to discharge. The equipment manufacturer is currently the only company that can achieve this.

### Conflicts assessment prepared/revised

Yes

---

## Procedure

### Procedure type

Direct award

### Direct award justification

Single supplier - technical reasons

NSG are the manufacturers of the equipment, carry the passwords for the programmable logic controller and have the specialist equipment to carry out the service and are the only supplier who can carry out these actions. To meet our quality assurance levels with the

Environment Agency we must prove that our equipment is maintained and calibrated to comply with our permit to discharge. The equipment manufacturer is currently the only company that can achieve this.
