II.1.4) Short description

At Bexton they aim to have happy children who are motivated to learn. Their children are very well behaved and proud of their school. Over the last three years, the school has steadily risen in local and national rankings and they are now proud to be the second highest performing school in Cheshire East for attainment in reading, writing and maths and top 2% nationally for attainment. In 2019, their progress for reading, writing and maths was well above national averages, putting them in the top 1% of schools nationally for attainment and top 5% for progress. This shows that children make excellent progress and achieve very high standards due to the excellent teaching standards across the school.

At Bexton they have an incredibly strong staff team of teachers and support staff who care and support all pupils. Parents are also supportive and share their high aspirations for their children.

In August 2019 they became part of Cheshire Academies Trust.
