Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

1586/ITT/SC - Flat Wire Coil Winding System

Reference number

1586/ITT/SC - Flat Wire Coil Winding System

II.1.2) Main CPV code

- 31640000 - Machines and apparatus with individual functions

II.1.3) Type of contract

Supplies

II.1.4) Short description

This tender is for the design, build, installation, supply, commissioning and training of a flexible and automated flat-wire coil winding system. The Power Electronics, Control and Machines Group at the University of Nottingham UK, hereafter referred to as 'PEMC', is an internationally recognized centre of excellence for transport electrification, developing and delivering stators for high performance e-motors to OEMs and Tier1s in the automotive/aerospace industries. Within the e-motor development and supply chain PEMC delivers low to mid volumes (for example annually, 10 stator variants, and 5 prototypes for each variant) of new designs to its customers. The tender responses should include for the design and supply of an automated, programmable, flexible, precise, flat-wire coil winding machinery setup that can achieve specified flat-wire coil winding arrangements or proposed alternative flat-wire coil arrangements agreeable to UoN. The rig must be fully operational by 01/8/2022

II.1.5) Estimated total value

Value excluding VAT: £200,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 31640000 - Machines and apparatus with individual functions

II.2.3) Place of performance

NUTS codes

- UKF14 - Nottingham

II.2.4) Description of the procurement

Please refer to tender documents posted on <https://intendhost.co.uk/universityofnottingham/aspx/Home>

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £200,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Please refer to tender document located at <https://intendhost.co.uk/universityofnottingham.aspx/Home>

III.1.2) Economic and financial standing

List and brief description of selection criteria

Please refer to tender document located at <https://intendhost.co.uk/universityofnottingham.aspx/Home>

Minimum level(s) of standards possibly required

Please refer to tender document located at <https://intendhost.co.uk/universityofnottingham.aspx/Home>

III.1.3) Technical and professional ability

List and brief description of selection criteria

Please refer to tender document located at <https://intendhost.co.uk/universityofnottingham.aspx/Home>

Minimum level(s) of standards possibly required

Please refer to tender document located at <https://intendhost.co.uk/universityofnottingham.aspx/Home>

tendhost.co.uk/universityofnottingham.aspx/Home

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Please refer to tender document located at <https://tendhost.co.uk/universityofnottingham.aspx/Home>

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

10 September 2021

Local time

10:00am

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

10 September 2021

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body

High Court

Strand

London

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

In accordance with Regulation 86 and 87 of the Public Contracts Regulations 2015, the contracting authority has incorporated a minimum 10 calendar days standstill period starting from the day when contract award was notified to the bidders. Unsuccessful bidders will be provided with a debrief in the award decision at the start of the standstill period including details of their bid in relation to the winning bid comprising the reasons for the decision, the characteristics and relative advantages of the successful tender, the score of the economic operator and the name of the economic operator to be awarded the contract. Tenderers have a right to appeal provided for within the Public Contracts Regulations 2015. Any such proceedings must be brought in the High Court of England and Wales.
