Description

About Short Breaks in Cheshire East

Cheshire East Council is looking to provide a range of short breaks for disabled children (aged 0 to 18) and their families, resident in Cheshire East, in various settings and of various lengths ranging from a couple of hours to a half/full day session, provided after school at weekends and in school holidays. The services will be available at a time to suit the targeted individuals in order to provide flexible access. This will depend on the nature of the service being offered and will often include delivery out of standard working hours.

It is the intention of Cheshire East Council to commission 'free to access' short break sessions/activities using a Lead Provider model. Therefore, any bids submitted will cover the costs in full within the pricing schedule, without the need for subsidies from children and families accessing the session/activity. All services will be operational from 5th

January 2026.

The Lead provider may arrange and deliver the sessions directly or subcontract to other local providers that may deliver specific activities, ensuring comprehensive coverage across the Cheshire East Footprint. Collaboration with other local providers, the voluntary and community sector and Family Hubs will be central to the delivery of this service.
