Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Defence Marine Services – Supply and Maintenance of Authority Moorings, Markers and Targets

Reference number

703249457

II.1.2) Main CPV code

- 98360000 - Marine services

II.1.3) Type of contract

Services

II.1.4) Short description

The Contract covers the following services: the maintenance of moorings, target moorings and navigation marks owned by the Authority, the replacement of moorings and navigation marks with telemetry buoys and the sourcing, storage and supply of moorings and navigation mark components.

The maintenance and replacement of moorings, target moorings and navigation marks service will be provided at various locations around the UK Coast including Gibraltar and Cyprus. The supply of moorings and navigation mark components to a UK based nominated point of departure to enable the Authority to transport to the Ascension Island

and Falkland Islands.

The Contract duration is envisaged to be 96 months.

To facilitate service delivery the intent is to transfer ownership of an Authority owned vessel to the new service provider under a Contractor Owned Contractor Operated (COCO) agreement subject to equitable financial remuneration. This vessel and any other vessel operated under this contract shall be UK Flagged and Certified.

The specification for the services will include the following:

- Maintenance in accordance with the Mooring Maintenance Programme (MMP), a schedule of routine mooring and navigation mark maintenance to ensure moorings and navigation marks remain safe to operate.
- A Moorings Replacement Programme (MRP) to replace moorings and navigation marks with telemetry buoys. The MRP will involve the total removal of the legacy mooring, the design and assurance of the new moorings, the procurement of replacement components and the installation and assurance of the new moorings.
- The sourcing, storage, and delivery of components to an authority nominated UK point of departure, allowing the Authority to maintain moorings in Ascension Island and Falkland Islands.

Full details of the service output including mooring, navigation marks and telemetry buoy volumetrics can be found within the Statement of Requirement (SoR).

In addition to the vessel, the Authority will supply Government Furnished Assets (GFA) in support of the Contract services, including:

- moorings and markers
- spares and specialist equipment
- Authority owned intellectual property

The occupation and use of Authority owned facilities/property may be available to support service provision subject to separate leasing or licensing arrangements with the Defence Infrastructure Organisation (DIO).

A significant proportion of existing moorings and markers spares are stored at the premises of the current service provider. Consequently, the new provider may need to provide their own storage and distribution facility.

Staff will be transferred in accordance with TUPE regulations. Full TUPE data will be provided during the course of the tendering process.

The Marine Services Procurement (Procurement) will be run under the Defence and Security Public Contracts Regulations (DSPCR 2011) using the Negotiated Procedure.

Potential suppliers should register for access to the data room. Requests for access should be submitted to the Contact email: navyacq-dms-ngmooringnavmks@mod.gov.uk

All queries regarding this advert must be submitted to the Email address listed above by no later than [XXXXX].

The DPQQ will be evaluated using the Defence Sourcing Portal (DSP).

There will be no limitation on the number of operators who will be invited to negotiate or participate.
