I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Swaffham Area Demand Responsive Transport

Reference number

NCCT42190

II.1.2) Main CPV code

- 60112000 - Public road transport services

II.1.3) Type of contract

Services

II.1.4) Short description

The Council wishes to procure a fully digitised demand responsive transport service with automatic and optimised route scheduling for residents south of the market town of Swaffham in West Norfolk to access services in the town and beyond. The proposed transport service will cover an area of approximately 85 square miles, 7000+ residents and over 20 villages and hamlets, to improve accessibility and connectivity. The service is expected to run from 0700 – 1900, Monday to Saturday. There is funding available for the purchase of a vehicle. The Council also wishes to procure an online application for the transport operator to plan journeys and for passengers to book and pay for their journeys.

II.1.5) Estimated total value

Value excluding VAT: £1,028,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Digitised demand responsive transport

Lot No

1

II.2.2) Additional CPV code(s)

- 60112000 - Public road transport services

II.2.3) Place of performance

NUTS codes

- UKH17 - Breckland and South Norfolk

II.2.4) Description of the procurement

Norfolk County Council wishes to procure a fully digitised demand responsive transport service, with automatic and optimised route scheduling, for residents south of the market town of Swaffham in west Norfolk, to access services in the town and beyond. The proposed transport service will cover an area of approximately 85 square miles, 7000+ residents and over 20 villages and hamlets, to improve accessibility and connectivity. The service is expected to run from 0700 – 1900, Monday to Saturday. The service will require different booking options and the service provider will need to offer a telephone booking service and accept online bookings via the application in Lot 2. There is funding available to procure a vehicle. The contract will be awarded for 39 months, which is the length of the trial for which we have been allocated DfT funding, with an option to extend up to 8 years. It is expected that the successful bidder will engage with Norfolk County Council and local stakeholders to endeavour to make the service commercially sustainable after the initial period. The service start is provisionally set at Jan 2022.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £912,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

39

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The initial contract will be for 39 months with the option to extend by 57 months. The value given is for the first 39 months.

II.2) Description

II.2.1) Title

Online transport application to plan journeys and take bookings and payments

Lot No

2

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems
- 48813000 - Passenger information system
- 48332000 - Scheduling software package

II.2.3) Place of performance

NUTS codes

- UKH17 - Breckland and South Norfolk

II.2.4) Description of the procurement

The Council is seeking to award a contract for an online application to support the demand response transport service in the Swaffham area. The application should already be commercially available with an established customer base (we are not seeking to procure any software development). The solution should include functionality to: (1) manage the operation of the service (e.g. managing key stop and road information); (2) allow passengers to plan, book, update and pay for journeys in advance (one-off and regular journeys) and indicate any special requirements (e.g. wheel chair user, specific time requirements); (3) offer a range of ticket options; (4) provide comprehensive information to the passenger on their booking (e.g. pick-up time, delays) via the app and SMS; (5) provide dynamic dispatch and routing to optimise the service based on bookings received and using real-time information on traffic and connecting services; (6) allow the driver to log on/off, access route and passenger information and contact passengers/operations staff. The solution should also be able to integrate with other information systems (e.g. other bus services and ticket machines of other operators) and have a reporting facility with the ability to download data for analysis in other tools. The main aim of offering this technology is to incentivise people to use the service so it needs to be easy to use. It must be able to run on a range of devices, which potential passengers may have.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £116,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

39

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The contract will initially be for 39 months with the option to extend by 57 months. The value is for the first 39 months only and just for the Swaffham service. However, the Council reserves the right to extend the service provision to other vehicles within Norfolk on a pro rata basis.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

20 September 2021

Local time

10:00am

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 90 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

20 September 2021

Local time

10:05am

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

This procurement will be managed electronically via the Council's e-procurement system. To participate in this procurement, applicants must first be registered on the system at <https://in-tendhost.co.uk/norfolkcc>. Full instructions for registration and use of the system can be found at <https://in-tendhost.co.uk/norfolkcc/asp/BuyerProfiles>. Once registered you will be able to see the procurement project under the `tenders` section and `express an interest` to view the documentation. If you encounter any difficulties whilst using the system you can contact the In-tend support team by phoning +44 8442728810 or e-mailing support@in-tend.co.uk.

VI.4) Procedures for review

VI.4.1) Review body

Norfolk County Council

Norwich

Country

United Kingdom
