It involves intensive, individual support, a rapid job search followed by placement in paid employment, and time-unlimited in-work support for both the employee and the employer.

The Lancashire and South Cumbria IPS service currently offers support to any Lancashire and South Cumbria service users aged between 16 and 69 years of age, referred via Early Intervention in Psychosis or Community Mental Health Teams or service users within either of these services who choose to self-refer into the IPS service.

The service operates within the 8 key principles of IPS and a fidelity review of the service is carried out by
