The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

The following certification will be a requirement of the upcoming tender exercise and Applicants may be

required to include evidence of this within their tender submission.

-ISO 9001:2015 accredited by United Kingdom Accreditation or equivalent externally accredited and up-to-date quality standard certificate(s) covering all segments of the Applicant's (and the product's) supply chain. This should include but not be limited to manufacturing, storage, distribution and customer service. If such certificates are not in the name of the Applicant then the Applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain and provide evidence of ISO9001:2015 or equivalent for all relevant parties in the supply chain

-Public Liability Insurance cover of £5m per claim in the name of the Applicant

-Product Liability Insurance cover in the name of the Applicant of £5m per claim or £5m per claim and in the annual aggregate

-Declaration of Conformity and UKCA Certification to demonstrate compliance to UK Medical Device

Regulations 2002 or Declaration of Conformity and CE Certification to demonstrate compliance to Medical Devices Directive

-Medical Devices Directive 93/42/EEC or Medical Device Regulation 2017/745 (where applicable)

-If an Applicant commits to obtain ISO9001:2015 or equivalent quality standard certificate, Public Liability

Insurance or Product Liability Insurance certification at the time of their tender submission then the

requirement is that such certification is in place prior to the commencement date of the Framework Agreement (in order for NHS Supply Chain to place orders with the successful Applicant)

- Compliance with UK Timber Procurement Policy 2013 is required for all timber products within this tender. This requires documentary evidence at tender submission to be provided to ensure suppliers are sourcing wood from legal and sustainable sources. More information will be provided in the ITT about what evidence will be required to be submitted with your bid

-The NHS has adopted PPN 06/20 (taking account of Social Value in the award of Government Contracts) 2022, and therefore this future Framework Agreement will include some qualitative evaluation questions on Social Value with a min. weighting of 10% towards the award

-In addition, from April 2023: the NHS has adopted the Government's 'Taking Account of

Carbon Reduction Plans' (PPN 06/21) requiring all suppliers with new contracts for goods, services, and/or works with an anticipated contract value above £5 million per annum, to publish a carbon reduction plan for their direct emissions. From April 2024, the NHS will expand this requirement for all new contracts, irrespective of value

-PPN 02/23 - Tackling Modern Slavery in Government Supply Chains will also be applied to this Tender

As part of its pre-tender strategy, NHS Supply Chain would also like to engage with suppliers of these products via a Request for Information. If you would like to complete the Request for Information document please follow the below instructions;
