Waverley School is larger than the average-sized school. It is an all through school for pupils aged 4-19 currently there are circa 1,700 pupils on role and within Waverley Studio College a further 200 pupils.

Waverley School moved into a brand-new purpose-built facility in 2013 and has continued to thrive. It is the head teacher's and governors' aim to continue to build on this and wish to employ a suitably skilled, flexible and experienced catering contractor who will recognise the changes that have taken place over the past few years, providing advice and expertise. This will be a major benefit to the school and will contribute significantly towards the Client's ongoing objectives.

The contract covers the scope for the provision of all catering services, which also includes all hospitality and free issue requirements.

The contract being offered will commence on 1 August 2021 for 3 years, with the potential to extend for up to a further 3 years and will be on a guaranteed performance basis.

The Supplier will be expected to introduce exciting new food concepts in partnership with the Client for the future. The proposed food concept should create an improved ambiance within the dining room and a more pleasant dining experience for both the students and staff.

The Client has taken the decision that all meat served will be certified by the Halal Monitoring Committee (HMC UK). The Halal Monitoring Committee is an independent, not for profit, registered charity organisation whose main aim is to certify the production of

genuine Halal food. HMC complies with the UK Laws for food production, as well as Islamic dietary compliance Laws. HMC promotes animal welfare, issues of food safety, hygiene and quality in compliance with UK Law and within the teachings of the Islamic faith. HMC works with companies who are involved in the production and supply of Halal food, to independently certify all products to provide assurance to the Muslim community that all food meets the high standards of Halal.
