## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Characterisation Services Framework

#### **II.1.2) Main CPV code**

- 79723000 - Waste analysis services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The Contracting authority seeks to conduct a procurement to establish a Framework Agreement for delivery of a range of characterisation services.

It is anticipated that the Framework services include but are not limited to; laboratory analysis, fingerprint services and additional characterisation services, across up to 4 lots. Anticipated Framework is to support Nuclear Restoration Services (NRS) requirements. Access to some NDA OpCos is also possible via multi provider lots, (whilst it is envisaged that usage outside of NRS will be limited)

Maximum value range of up to £13- £20 million, however spend may not reach this range. Those wishing to access the associated tender documents and/or participate within the tender process should register their Organisation details at <https://one-nda.force.com/s/Welcome> and search under the procurement title or reference C20416 within the 'find opportunities' page.

Please note that participation conditions apply to this tender process. Further details can be found within associated procurement documents.
