.

NI Water has in place a contract for the disposal of Water Treatment Work Residuals which expires on 31st October 2022 and an NI Water Alpha contract for the recycling/disposal of Water Treatment Work Residuals which expires on 30th November 2022.

.

NI Water are planning to hold a supplier engagement session in July/August 2022 to determine if there are potential innovative disposal / recycling options for our Water Treatment Work Residuals.

.

An expression of interest for this session can be made in response to this PIN by emailing sourcing@niwater.com (FAO Manus O’Kane and Shannon Whelan). Expressions of interest are to be received no later than 1.00pm on Friday 15th July 2022.

.

Following the receipt of expressions of interest, NI Water will be in contact with suppliers in due course, to set out details of the supplier engagement session. The engagement session

will provide interested suppliers with the opportunity to obtain further information relating to NI Water and NI Water Alpha's requirements and will also provide NI Water the opportunity to obtain feedback from the market.

.

The purpose of this market engagement exercise will also help NI Water select the best procurement strategy to deliver these services going forward.

.

Please note that NI Water will not reimburse any costs incurred by Economic Operators in connection with this market engagement exercise.
