Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Covid-19 nMAB Infusion service at home

Reference number

NMAB001

II.1.2) Main CPV code

- 85141200 - Services provided by nurses

II.1.3) Type of contract

Services

II.1.4) Short description

This contract is for the provision of a nurse led homecare service to administer intravenous COVID-19 neutralising monoclonal antibodies to eligible community patients registered with a GP in Surrey Heartlands in line with NICE TA878.

The contract is required following notice being served since which time patients have been provided with oral antivirals with IV therapy reserved for individuals recommended by their specialist service. IV administration has needed to be delivered at a specialist centre in the absence of an infusion service at home.

The service is required as soon as feasibly possible in the interests of patients.

Surrey Heartlands ICB is intending to follow the Most Suitable Provider Process to award a contract under The Health Care Services (Provider Selection Regime) Regulations 2023.

Section VI. Complementary information

VI.6) Original notice reference

Notice number: [2024/S 000-015803](#)

Section VII. Changes

VII.1) Information to be changed or added

VII.2) Other additional information

Following engagement with potential suitable providers for this service, considering the key criteria and applying the basic selection criteria in a fair way across all, the Awarding Authority has decided to halt the Most Suitable Provider process in favour of a Competitive Process which will be launched in the near future.

If at any point in the most suitable provider process the relevant authority has insufficient information to make an assessment under the most suitable provider process, for example, because it did not receive sufficient information to help its decision-making, it is advised to use the competitive process. If the relevant authority fails to identify the most suitable
