Chenderit School is a coeducational 11–18 state secondary school with specialist status in the visual arts in Middleton Cheney near Banbury. Cleaning services are currently provided by an in-house team of cleaners, but the School has now decided to outsource the cleaning provision. TUPE shall apply to this contract.

The successful Supplier will be required to provide Cleaning services for Chenderit School.

The school has a footprint of 7,044m². There is currently a team of 15 cleaners.

Cleaning services will be required throughout term time with sufficient service provision during holidays to conduct period cleaning tasks and prepare the school for re-occupation.

The School is looking for a contractor capable of providing a dedicated, professional and consistent cleaning service to the School throughout the year, with robust and responsive management support and the ability to provide contingency cleaning resources if required. The contractor will employ all cleaning staff and provide the necessary cleaning equipment and materials.

We are seeking a suitably experienced contractor who has current experience of working within the secondary school or HE / FE marketplace, ideally with a strong operational base within the Banbury area, thus allowing for responsive, contract support and management of cleaning staff.

The contract will commence on 1st August 2021 for an initial period of 3 years, with the option to extend by mutual agreement for a further two periods of one year.

This contract will be fixed price in nature with the successful contractor working to an output cleaning specification which complies with the British Institute of Cleaning Science (BICSc) standards. The estimated contract value is £100,000 net of VAT per annum (£500k over five years).
