#### **II.2.4) Description of the procurement**

The Ophthalmology Directorate received approval for insourcing support to address ongoing pressures within the Glaucoma service.

The previous insourcing support was very successful, and the waiting numbers and times reduced significantly. Glaucoma is a sight threatening condition that requires timely intervention. This insourcing service provides additional reporting and face to face review sessions that would significantly reduce the current backlog, ensuring all patients are clinically reviewed and significantly reducing the current clinical risk.

The service will help clear backlogs, it is envisaged that the activity generated by the service will provide the resilience required to support the service going forwards.

## Section VI. Complementary information

### VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to decision makers by 25 June 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Decision makers are Operations Director and Deputy Operations Director for ENT & Ophthalmology Services. The email address for representations is [nabs.ilyas@nhs.net](mailto:nabs.ilyas@nhs.net)

No conflicts of interest have been registered.

The weighting of the key criteria varies with the highest weightings being for quality and innovation and social value. These criteria are considered of high importance as they are linked to the key metrics of the NHS standard contract under which this sub contract will be let and the terms and conditions under which Sheffield Teaching Hospitals NHS FT is commissioned by SYICB (Sheffield Place) to deliver this activity. The provider is currently meeting all contractual and legislative requirements as detailed in the NHS Standard Subcontract.
