The key objectives of the AQP process are:

It is important to note that the contract does not guarantee any volume of activity or payment to a provider. Please refer to Schedule 3 in Document 3 – Contract Particulars for tariff details.

The Tariff value and activity levels have been derived based on past experience. There is no guarantee that they will remain at these levels in the future. They may increase or decrease. This contract is awarded on a zero value, zero volume basis and activity levels may differ during the period of service provision due to factors beyond the Commissioner's control such as increase/decrease in population of the local area, closure of other nearby NHS health organisations due to unforeseen reasons, patient's experience/preference etc.
