General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Building Access Management System Replacement and Modernisation

Reference number

DN721621

II.1.2) Main CPV code

- 50710000 - Repair and maintenance services of electrical and mechanical building installations

II.1.3) Type of contract

Services

II.1.4) Short description

The London Borough of Hackney is seeking a new Multi-Building Enterprise Level Physical Access Control System to replace its current legacy system.

The project will require new software and control equipment hardware.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50610000 - Repair and maintenance services of security equipment
- 42961100 - Access control system

II.2.3) Place of performance

NUTS codes

- UKI41 - Hackney and Newham

II.2.4) Description of the procurement

The London Borough of Hackney is seeking a new Multi-Building Enterprise Level Physical Access Control System to replace its current legacy system.

The project will require new software and control equipment hardware.

The new system should be capable of, but not limited to the following functionality:

Full access control functionality including photo badging card production

Unlimited scalability

Hybrid hardware communication connectivity

Extensive onsite I/O logic processing

Cloud software and app operating capabilities

Secure system wide data and communication encryption

Software integration capabilities with other systems

OSDP card reader connectivity allowing for card to cloud encryption

Mobile phone access control capabilities

QR code access control capabilities

The London Borough of Hackney operates its own in-house access control engineering department, which will be responsible for reactive works & maintenance of the new system. A reactive only (occasionally required) engineer callout facility is also required as part of the tender.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

No

II.2.10) Information about variants
