b. Have a consistent route to access urgent appointments offered within 4hrs and booked through NHS 111, ambulance services and general practice. A walk-in access option will be available.

c. Increasingly be able to access routine and same-day appointments, and out-of-hours general practice, for both urgent and routine appointments, at the same facility, where geographically appropriate.

d. Know that the urgent treatment centre is part of locally integrated urgent and emergency care services working in conjunction with the ambulance service, NHS111, local GPs, hospital A&E services and other local providers.
