Section II: Object

II.1) Scope of the procurement

II.1.1) Title

EEM0072 Supply and Distribution of Materials Framework

Reference number

EEM0072

II.1.2) Main CPV code

- 44110000 - Construction materials

II.1.3) Type of contract

Supplies

II.1.4) Short description

Efficiency East Midlands Ltd (EEM) is a procurement consortium which establishes and manages a range of frameworks and DPS agreements. <https://eem.org.uk/>

EEM conducted this tender exercise to procure a Materials Framework to replace our existing Materials Framework (EEM0072) that expires on 31st March 2025 and our Supply of Kitchen Units Framework (EEM0074) that expired in 2024.

The new framework commenced on 01st April 2025 with a lead in period before. The Framework provides EEM Members and Users with a provision for the supply and distribution of materials which fall in to one of the following lots:

Lot 1 - Managed Solution

- Lot 1a - Managed Solution National
- Lot 1b - Managed Solution Regional Independent Supplier

Lot 2 - Trade Specific Materials

- 2a - General Building Materials including Timber, Joinery and flooring Materials
- 2b - Electrical Materials

- 2c - Plumbing, Heating and Gas (Domestic and Commercial)

Materials

- 2d - Renewable Technologies and associated Materials
- 2e - Kitchen Materials
- 2f - Aids and Adaptation Materials
- 2g - Roofing Materials

Lot 3 - Tool and Plant Equipment Hire

The Framework has been procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members', all of which are Contracting Authorities in their own right. The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional Organisations to become Company Law Members. All Future

Members will also be Contracting Authorities in their own right; and A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be

identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £661,000,000

II.2) Description

II.2.1) Title

Lot 1A - Managed Solution National

Lot No

1A

II.2.2) Additional CPV code(s)

- 44100000 - Construction materials and associated items

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKI - London
- UKJ - South East (England)

- UKK - South West (England)
- UKL - Wales

II.2.4) Description of the procurement

Lot 1a Managed Solution National will support Members and Users looking for a Supplier to provide a full range of materials including; General Building Materials including Timber and Joinery Materials, Electrical Materials, Plumbing , Heating and Gas ,Renewable Technologies and Materials, Kitchen Materials, Aids & Adaptation Materials, Roofing Materials either directly or in collaboration with third parties.

This Lot will encompass the traditional requirements for over the counter collections, deliveries and van stock management but will also involve a range of enhanced options which will provide Members with the most efficient, cost effective and tailor made solution to meet their requirements.

The above is not an exhaustive list of the types of Materials available for supply under Lot 1 as the Framework will allow for the provision of additional product lines to be added should Members require additional product lines to be added to the Quarterly Price Files and Suppliers Catalogue during the lifetime of the Framework. Members and Users will be permitted to direct award or run a mini competition using already agreed product lines, with any additional product lines being added to the Quarterly Price Files and Suppliers Catalogue.

This Lot will encompass the traditional requirements for over the counter collections, deliveries and van stock management but will also involve a range of enhanced options which will provide Members with the most efficient, cost effective and tailor made solution to meet their requirements.

Additional Services may be provided by the successful Suppliers to enhance this and options may include but are not limited to preparation of pre-picked 'kits', out of hours supply, full IT integration, consignment stocks and where required dedicated stores facilities.

II.2.5) Award criteria

Quality criterion - Name: Social Value and Sustainability Assessment / Weighting: 15%

Quality criterion - Name: Interview and Presentation / Weighting: 45%

Cost criterion - Name: Part C - EEM0072 - Pricing Schedule - Lot 1 Managed Solutions / Weighting: 40%

II.2.11) Information about options

Options: No

II.2.14) Additional information

Lot 1 Managed Solution allows for trade specific contracts to be awarded to a Managed Solution supplier.

There is flexibility for members at the discretion of EEM to invite both national and regional Managed Solution suppliers to a competition.

The call-off contracts awarded via Lot 1 (1a and 1b) pursuant to the framework agreements to be entered at conclusion of the procurement exercise can be awarded 5 years beyond expiry of the framework term and contracts awarded for managed stores can go up to 10 years beyond the lifetime of the framework to take account of contract mobilisation and IT integrations requirements etc

II.2) Description

II.2.4) Description of the procurement

Hire will typically be on a without operator basis and may be on a short or long-term basis to suit Members and Users requirements and the types of equipment includes but is not limited to the below.

- Hand Tools
- Power Tools
- Lifting and Handling Equipment
- Roofing Supports, Towers, Podiums and Ladders
- Site Setup Equipment
- Site Safety Equipment

Lot 3 will also permit the purchase of Plant Machinery, Site Equipment, Plant, Tools and associated equipment where a Member has conducted a cost analysis on hire v buy and the analysis shows the Member would be better to outright purchase rather than hire.

The above is not an exhaustive description of the types of tool and plant equipment required for hire or purchase via Lot 3 and the Framework will have provision for product lines to be added during the Framework's lifetime should Members and Users require additional product lines to be added to the Quarterly Price Files and Suppliers Catalogue during the lifetime of the Framework. Members and Users will be permitted to direct award or run a mini competition using already agreed product lines, with any additional product lines being added to the Quarterly Price Files and Suppliers Catalogue.

Members and Users specific requirements will be agreed with the Supplier under their call off from the framework but are subject to change based need and or the identified levels of usage for an extended period.

II.2.5) Award criteria

Section VI. Complementary information

VI.3) Additional information

The call-off contracts to be awarded pursuant to the framework agreements to be entered at conclusion of the procurement exercise may extend for a duration of up to 5 years beyond expiry of the 4-year framework term.

Call-off contracts for managed stores can go up to 10 years beyond the lifetime of the framework to take account of contract mobilisation and IT integrations requirements etc

Please note that the total framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime. The total framework value is split amongst the lots and each lot value is specified within the relevant section of this notice.

The framework has been procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised

access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members' all of which are Contracting Authorities in their own right.

The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional organisations to become Company Law Members. All Future Members will also be Contracting Authorities in their own right; and

A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

The list of potential framework users below is not exhaustive of all organisations who can utilise EEM services, access will be granted to any publicly funded organisation.

Registered Social Landlords in England and Wales, including but not limited to

1. Registered Social Landlords in England and Wales, including but not limited to <https://www.gov.uk/government/publications/registered-providers-of-social-housing>
2. Local Authorities, including but not limited to England and List of councils in Wales
3. National Health Service (NHS) bodies including NHS Trusts, foundation trusts, Integrated Care Boards or Partnerships, GP federations and other health and social care

providers within England and Wales

4. All emergency services including Police Forces, fire and rescue departments and emergency medical services

5. All education establishments including but not limited to, schools maintained by local authorities, academy trusts, colleges, universities and other further education establishments

6. Registered Charities with a relevant link to the core purpose and services provided by EEM

7. All other contracting authorities as defined in the Public Contracts Regulations 2015 or the Procurement Act 2023
