### **Scope**

### **Reference**

ITT\_30350

### **Description**

Westminster City Council (the “Council”) has a statutory obligation under the Housing Act 1996 (as amended) to provide temporary accommodation to homeless individuals and families within its borough.

The Council has committed to securing temporary accommodation properties with an ambitious goal of acquiring approximately 1000 new properties in the next 1 – 3 years to fulfil this statutory requirement.

These newly acquired properties together with the existing units require new or replacement furnishings and as a result, the Authority is seeking to procure a Contract(s) for the supply, delivery and installation of residential furniture, white goods, carpets and floors to fulfil its requirements. Further details of the Authority’s requirements for the Supplies can be found in the Invitation to Tender documentation.

### **Total value (estimated)**

- £2,500,000 excluding VAT
- £3,000,000 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 13 October 2025 to 12 October 2029
- Possible extension to 12 October 2030
- 5 years

Description of possible extension:

A year's extension is allowed but will be subject to the successful delivery of the contract (including KPIs) and at the Authority's sole discretion.

### **Options**

The right to additional purchases while the contract is valid.

The Authority intends to award the contract to a single supplier; however, it reserves the right to appoint a second-source supplier to mitigate supply risks.

Should the second-source supplier option be activated, this would result in two separate contracts.

The estimated total value is £2.5 million over five years (inclusive of any extension, but exclusive of VAT). This figure is non-binding; actual expenditure may increase, or decrease based on demand.
