Engagement process description

It is Aneurin Bevan University Health Board's (ABUHB) intention to hold an informal engagement process for this requirement. If you are of interest and have any questions relating to either the requirement or the procurement process, please contact the email within the notice and they will direct your queries to the relevant individual/s involved in this requirement.

The engagement may be held via email, virtually (MS Teams) or via telephone, dependant on the query that has been asked.

It is our intention via this preliminary market engagement, to gather any potential feedback/queries to try and adapt this requirement as best as we can to suit potential bidders and not restrict any suppliers from the process, where reasonable.

Details of any Prior Engagement

Engagement to date, has been held with the current supplier who holds this contract.

All notices related to this procurement will be published on Sell2Wales. Depending on the criteria and value of the contract, the notice published on Sell2Wales may also be linked to other relevant platforms. Sell2Wales is a Welsh Government Procurement Portal which Welsh Public Sector Organisations use to advertise contract opportunities. Businesses can register with Sell2Wales and be notified when relevant opportunities are posted.

It is, therefore, imperative that all suppliers are registered and have access to all of the

aforementioned platforms in order to participate in any procurement published by this organisation.

Please be advised that failure to register on these platforms may result in the non-award of a contract. This is due to the requirement of your unique identifier when publishing the award notice on the platforms mentioned.
