Adopt North East (ANE) is a Regional Adoption Agency based in the North East of England.

It was created in December 2018 in response to the legal requirement that local authorities

regionalise their adoption services. It is a partnership between five Local Authorities:

Gateshead Council, Newcastle City Council, Northumberland County Council, North

Tyneside Council and South Tyneside Council. It is hosted by North Tyneside Council. In

joining their adoption services together and forming a Regional Adoption Agency, the vision

and ambition of the five partner Local Authorities is for Adopt North East to achieve

‘excellent adoption services that transform children’s and families lives for the better’.

Adopt North East (Hosted by North Tyneside Council) is seeking to establish a framework of

providers to support the medium and high level element of our offer by provision of therapeutic services and specialist assessments.

The majority of support will be provided to families through direct funding made available to

Adopt North East by the Adoption Support Fund (ASF) of the Department for Education.

Accordingly, any changes to the ASF funding arrangements within the contract period may

vary this contract.

A minority of support will be provided to families through bespoke funding agreed by Adopt
