II.2.14) Additional information

Please note that this expression of interest has been designed to allow the market visibility of the proposed opportunity and support early engagement.

The aim of the expression of interest exercise is to;

1. Support the ICB's informed decision making on the potential options on the future commissioning of these services;
2. To help refine the commissioning and procurement approach and;
3. To gauge the level of interest from the market of capable providers with capacity to deliver the services illustrated above.

This is a market testing exercise and does not commit the Commissioners to carry out a procurement process. Current services will remain in place during this period in line with existing contracts and service level agreements.

If more than one compliant provider registers an interest for this opportunity, meets the requirements set out in this Notice and the questionnaire then the ICB may set out details for a competitive process.

Should only one provider register an interest and meet the requirements, the ICB reserve the right to award to that provider without further publication following due diligence checks.
