#### II.1.4) Short description

Saint Cecilia's School is currently out to tender for the provision of a full daily ICT Managed service. The Contractor will be responsible for the provision of a full school ICT service for the pupils and staff at the school. The School requires a Contractor to undertake the ICT Managed Service in accordance with good practice so as to provide a high service standard throughout the school for the benefit of school staff and pupils, the local community and any visitors to the site. The school campus is located on one site across a number of buildings. The school currently receives onsite support from one Network Manager and one Junior Technician. Across the school there are currently 1079 pupils on roll for the academic year 2024. TUPE is expected to apply, details of which can be found in the tender documentation. The School is inviting suppliers to tender for the supply of management and support for its entire ICT infrastructure.
