You must:

The decision makers for this contract award was the Trust's Management Executive Board.

No conflicts of interests were declared.

The Trust weighed the provider across key criteria i.e. Safe, Well Led, Effective, Provides positive experience, sustainably resourced and equitable.

Trust was expected to:

consider how their decisions may improve or exacerbate inequalities in access to, experience of, or outcomes from, health care services

operate with the view of securing quality improvement of services in connection with the prevention, diagnosis and treatment of illness

consider when entering into an agreement with a provider the impact on reducing inequalities in the accessibility of health care services, and the quality of outcomes achieved for all eligible persons following the provision of health care services.

LEAD has knowledgeable, skilled and experienced clinicians who ensure that autism assessment is not only conducted to the highest standard, but also to ensure that any other difficulties are identified and that you receive useful advice and guidance following the child's assessment.
