The current contracts for Extra Care Housing (ECH) services in Somerset expires at the end of March 2025 and we have a commissioning plan underway to have a new contract in place from April 2025.

ECH is specialist housing for adults with health and social care needs. The service requires a designated on-site team to deliver care and support services to all tenants living in ECH.

As part of the re-commissioning plan, we want to ensure that the future service is meeting the needs of the people who are eligible for support, compliant with current legislation, fit for the future and delivers best value. The review has also provided the Council with an opportunity to engage with other stakeholders and the current to tenants to re-design a new person-centred service specification for the new contracts from April 2025.
