Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

4B.4 The Bidder will be required to state the values for the following for the last two financial years:

1. Current Ratio (Current Assets divided by Current Liabilities)
2. Net Assets (Net Worth) (value per the Balance Sheet)

4B.5.1 The Bidder must confirm they already have, or can commit to obtain, prior to commencement of the contract:

Professional Indemnity Insurance

Employer's Liability Insurance

Public Liability Insurance

Minimum level(s) of standards possibly required

4B.4 Financial Ratios

The acceptable range is:

1. Current Ratio - it is expected that the ratio is equal to or greater than 1, i.e. Current Assets will equal or exceed Current Liabilities for both years. Reasons for not meeting the required test to be disclosed by tenderers together with appropriate supporting evidence to confirm the suitability of the tenderer for the contract.

2. Net Assets (Net Worth) - it is expected that the Net Worth will be positive, i.e. a Net Assets position for both years. Reasons for not meeting the required test to be disclosed together with appropriate supporting evidence to confirm the suitability of the tenderer for the contract.

4B.5 Level of Insurance

Professional Indemnity Insurance in the sum of GBP2,000,000 for any one occurrence or series of occurrences arising out of one event.

Employer's Liability Insurance in the sum of GBP10,000,000 for any one occurrence or series of occurrences arising out of one event.

Public Liability Insurance in the sum of GBP5,000,000 for any one occurrence or series of occurrences arising out of one event.

III.1.3) Technical and professional ability

List and brief description of selection criteria

4C.1 Bidders will be required to provide 2 examples of how they have delivered a similar service within the last five years.

4C.2 Technicians and Technical Bodies

4C.6 Qualifications

4C.7 Environmental Management

4D.1 Quality Management Procedures

4D.1 Health and Safety Procedures

Minimum level(s) of standards possibly required

4C.1 Bidders should provide details of two similar size contracts, where they have installed smoke detectors in at least 25 properties per week. The response should include the duration of the works. The bidder will score highly if they demonstrate carrying out installation works in properties that are occupied and for Local Authorities, Housing Associations and Registered Social Landlords.

4C.2 Bidders should demonstrate that they are trained to install the Aico smoke detectors and attend regular CPD's with Aico to ensure they are up to date with the products and installation. Produce evidence of training. Bidders will score well if they can demonstrate they have received Aico installer training, as well as refresher courses and keep up to date with product and technology developments.

4C.6 Bidders should demonstrate that they are suitability qualified: 18th Edition Wiring Regulations. Members of NICEIC or Select.

4C.7 Bidders to provide details of how they have dealt with disposing of expired alarms and for recycling the packaging from the new alarms on previous contracts. The response should include all your measures for tackling climate change.

4D.1 Quality Management Procedures

1. The bidder must hold a UKAS (or equivalent) accredited independent third-party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent),

OR

2. The bidder must be able to provide documented evidence of their Quality Management policies and procedures as detailed in the Instructions for Tenderers document.

4D.1 HEALTH AND SAFETY PROCEDURES

1. The bidder must hold a UKAS (or equivalent), accredited independent third-party certificate of compliance in accordance with BS OHSAS 18001 (or equivalent) or have, within the last 12 months, successfully met the assessment requirements of a construction-related scheme in registered membership of the Safety Schemes in Procurement (SSIP) forum.

OR,

2. The bidder must be able to provide documented evidence of their Health and Safety policies and procedures as detailed in the Instructions for Tenderers document.

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2025/S 000-004893](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

3 June 2025

Local time

12:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

28 July 2025

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: 36 months

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used
