Explanation:

A full procurement exercise (ref: SAC-24-036) was undertaken. There was one response to this exercise from Jacobs Clean Energy Ltd in March which exceeded our available budget. We have since tested the supply chain in the market and adjacent markets including national and international suppliers. We have received no further credible proposals to deliver this solution in the timescale so have decided to proceed with a revised version of the Jacobs Clean Energy Ltd solution.

Please note that the FTS notice for this is ref 2024/S 000-004651.
