II.1.4) Short description

St John's is a grade II listed building within the Richmond Terrace/St John's Conservation

Area in Blackburn. In April 2019 an accidental fire caused extensive damage to the building.

Following the fire, the property was made safe with the Council undertaken some clearance

works and erected permanent hoardings.

It is proposed the former St John's Church will be repurposed and refurbished to create high

quality flexible workspace to meet new agile working demands, which have been accelerated

by the pandemic, and will form an early phase of the new Blackburn town centre masterplan.
