Scope

Description

Shropshire Council is inviting suppliers from the digital care and support sector, with a focus on Technology Enabled Care Services (TECS), to engage with us. Our goal is to explore the range of solutions available and gain insights into the commissioning approaches and procurement routes used by other Local Authorities. This engagement will help shape our future approach.

Suppliers will have six weeks to respond to our engagement request, with the deadline for submissions being midnight on Friday 13th June 2025. Our engagement will take the form of a straightforward questionnaire, and we may follow up with further discussions with the market after this initial phase closes.

Kindly respond to the questions provided and use the MS form link below to submit your
