For the avoidance of doubt, this stage of the project is not part of a formal procurement process and the Council is not committing, at this stage, to carrying out such a process. Participation or non-participation in the pre-procurement market engagement process shall not prevent any supplier participating in a potential future procurement, nor is it intended that any information supplied as part of the pre-procurement process shall place any supplier at an advantage in a potential procurement process. Participation in the pre-procurement market engagement procurement process will be at each supplier's own cost. No expense in responding to this process will be reimbursed by the Council. This is
